PORSCHE CLUB GIVES BACK TO THE WCA

Donation supports family escaping domestic violence

Boise, ID – The Silver Sage Porsche Club showed outstanding support this year of the Women's and Children's Alliance and the families affected by domestic abuse and sexual assault that they serve. Club members having attended "If These Walls Could Talk" tour at the WCA were moved and decided to support the organization with their holiday donations, confident that their support could make a difference in the lives of the WCA's clients.

The Club, through a series of events and the sale of Club merchandise, raised over \$10,000 in support of a family's four month stay in the WCA's residential program. Families in the WCA's safe and secure shelter attend counseling, case management, and support groups, as part of a program aimed at helping them start a new life – free from violence. They also sponsored a family of seven over the holiday, providing a bountiful Christmas for a family that would otherwise have gone without.

WCA Executive Director, Beatrice Black, said "I was thrilled with the support of the Porsche Club and each of its members. Their gift truly made a difference in the life of a family in our care."
