

Mother's Day should be a joyous occasion for mothers and their families. Unfortunately for some women, that's not always the case. TWO MEN AND A TRUCK® is hoping to change that with a program called Movers for Moms® — a collection of creature comfort items and essential items that will be delivered to women living at the Women's and Children's Alliance on Mother's Day. We will be collecting donations through May 8th 2014. Below is a list of items that those staying at the WCA are in need of most.

- Dishes (plates,bowls,etc)
- Silverware
- Pots and pans
- Cups/glasses/coffee mugs
- Tupperware
- Hangers
- Toasters
- Ibuprofen and other pain relievers for adults and children
- Allergy medicine for adults and children
- Cold and cough medicine (non-alcoholic) for adults and children
