WE ARE HERE

Corporate Pillars

Becoming a Corporate Pillar with the WCA is a pledge to support survivors and break the cycle of abuse. Our pillars provide the foundation that supports the WCA's daily work and our growth. When you join us, your annual contribution supports free services for survivors and asserts your commitment to ensuring safety, healing and freedom in your community and workplace.

“Our corporate pillars are an inspiring group of companies that support our mission and raise awareness of our services; showing employees that their health and happiness matters.”

The Sherlock Scholarship Fund

The Susan P. Sherlock Fund provides scholarships for clients seeking educational advancement, on-the-job training, and/or trade/vocational schooling. This scholarship opportunity, which may total up to \$5,000 per award, assists survivors of domestic and/or sexual violence by helping alleviate financial barriers so they may reach their future career goals. Eligible applicants include current and former WCA clients and their children. Clients may be referred to the scholarship program through their WCA Case Manager or the WCA Financial Empowerment Educator.

WISP

WISP provides scholarships to women who are survivors of intimate partner abuse. The program is designed to help survivors regain independence and self-sufficiency through education and employment. Full or part-time students with financial need are eligible. The primary goal of WISP is to help women who have been separated from their abusive partners for at least one year. Five WCA clients were WISP recipients during the 2022-2023 fiscal year.

Hope Society

WCA's Hope Society members are multi-year donors who believe passionately in our work. They understand the importance of sustainable funding, which enables the WCA to continue serving all who need our services as we strive for a community where everyone thrives in safe, healthy relationships. These community members have made a significant commitment and provide the invaluable gifts of safety, healing and freedom to the people we serve daily.

Endowment Fund

The Endowment fund was established to provide funds in perpetuity for the operation of the WCA. The annual funds distribution is based on recommendations made by our investment committee, which take into consideration anticipated rates of return on our money to ensure conservation of the principle. Your gift contributes to create a sustainable funding source for operations with only the Endowment's interest earnings being used to support the vital work we do. The principle will remain intact and continue to grow.

On June 30, 2023, ending balance of \$2,107,477. 68 is thanks in part to:

The bronze statue of a mother and her children in front of the WCA symbolizes the Safety, Healing and Freedom the WCA offers.

Heritage Society - Planned Giving

Our Heritage society recognizes those who make a provision for the WCA as part of their estate planning. Unless specified by the donor, planned gifts are placed in our Endowment fund which has allowed WCA to receive constant support for operations independent of donor and grantor requirements.

Last fiscal year, this amounted to \$79,412 in operational supports. Donors who Join the WCA's Heritage Society have found that a planned gift, creatively structured to provide tax advantages, can provide an ideal opportunity to support an organization they love at a higher level than they thought possible.
